## **For immediate release**

### **Coming Soon: New Product Line at Euro-Tech the Tschorn analog waterproof 3D-Tester**

Euro-Tech Corporation will soon be your North American distributor of the Tschorn line of 3D testers. This 3D-tester can remain wet in the tool changer—without any damage; impervious to splash water and oil. The Tschorn innovative SLIMplus 3D-tester is waterproof to the standard of IP67\* and slimmer than the competition.

The **Tschorn 3D Tester** stands out with its robust structure; sleek and attractive design. Its precise and versatile capabilities enable fast and easy calculation of work piece reference points and lengths. Probing is possible in all axes direction (X/Y/Z) at the same indicator resolution. As soon as the indicator is at '0', the vertical axis is exactly on the edge of the work piece.

**Visit Tschorn at IMTS in booth W-211 for more information.**

*\*IP67 rated equipment is 100% protected against solid objects like dust and sand, and has been tested to work for at least 30 minutes while under 15cm to 1m of water.*

#### **Euro-Tech Corporation**

Euro-Tech offers custom and standard engineered products designed to increase production for manufacturers in the automotive, aerospace, small engine, medical and machining industries. The company is headquartered in Menomonee Falls, Wisconsin where a highly skilled team is committed to the continuous development of state-of-the-art solutions.

# Tschorn 3D Testers *The Slimmer Tester*

## Product Guide

Premium 3D Tester models include Slimline and Viplus large dial models; both are shock and water resistant. There is also the economical SavePlus model, non-water resistant and priced accordingly. German precision engineered; slimmer than the competition. See the Tschorn 3D Tester at **IMTS booth W-211** and compare. View a Demo.

*3D-Tester SLIMplus*  
No. 00163D012

*3D-Tester Viplus*  
No. 00163V012

*3D-Tester DREHplus*  
No. 00163T020

*3D-Tester SAVEplus*  
No. 00163B012

*Probe tip long*  
No. 00163D006

*Probe tip standard*  
No. 00163D003

*Probe tip DREHplus*  
No. 00163T036

Item No.	Description	Shank	Length	Probe
00163D012	3D-Tester SLIMplus	012	approx. 124	03
00163V012	3D-Tester Viplus	012	approx. 145	03
00163T012	3D-Tester DREHplus	020	approx. 136	03,6/03,2
00163B012	3D-Tester SAVEplus	012	approx. 134	03
00163D003	Probe tip standard	-	27	03
00163D006	Probe tip long	-	62	06
00163T036	Probe tip DREHplus	-	approx. 34	03,6/03,2

## Coming Soon to Euro-Tech Corporation.

Euro-Tech is a North American distributor of Tschorn GmbH 3D Testers.
